Hi Rob,

Per our conversation, I mailed you a CD with the reports listed below. These reports were submitted April 16 (with the MUP submittals), but they were missing from your CD only.

The CD was delivered today and signed for by S. Mills. Sorry for any inconvenience.

1. Rugged Visual Study (word & PDF)
2. Tierra del Sol Visual Study (word & PDF)
3. Tierra del Sol Noise Report (word & PDF)

Please feel free to call me with any questions or requests during you're review.

Thanks,
Asha Bleier
